

## VOLUNTEER PROGRAM

### Confidentiality and Commitment Guidelines

Thank you for working with our students and staff. You are providing a very valuable service to our school district.

It is important to understand the following guidelines when working with students and school information:

**Confidentiality:** A feeling of mutual understanding and trust between school staff and volunteers is essential. Volunteers have access to information about students and their abilities, successes and struggles as well as information from teachers. As a volunteer, your responsibility is to maintain confidentiality at all times.

**Commitment:** Please make a professional commitment. Be consistent and dependable. Please notify the school office if you are unable to come at your committed time.

**Sign In and Out:** Remember to sign in and out at the front office through the Raptor System and wear your identification badge at all times. Your hours of service must be recorded for monthly reporting requirements.

If you have questions involving your volunteer work, please ask the teacher, the principal, campus coordinators or the Community Programs Director.
